

Summit Public Art in the *City of Art*

Dear Friend of Summit Public Art,

Summit Public Art is Celebrating Its 20th Anniversary! And we want YOU to be part of it.

With ever-changing temporary art, murals, and permanent art pieces, **Summit Public Art** has been on a mission, bringing art to public spaces in Summit. Over the past two decades, we have installed approximately 90 temporary works of art, three murals, stained-glass windows at our bus shelters, and the iconic *Silver Sentinel* tree sculpture that welcomes people to town. This art stimulates our local economy while engaging and delighting viewers and contributing to community spirit in our "City of Art." It's no wonder that NJ Digest recently included Summit in "7 New Jersey Towns with Great Art Scenes."

2022 has been a particularly exciting year for Summit Public Art. In this 20th year, we look forward to unveiling a new permanent artwork, *Pleiades*, by internationally-renowned artist Ray King, at the Promenade Fountain in the heart of downtown Summit. We believe this piece is destined to become a major attraction for residents and visitors alike.

Summit Public Art is an all-volunteer, donor-funded organization. Although we are a city entity, funding comes primarily from individual donations and corporate sponsorships through the Friends of Summit Public Art. As we celebrate our 20th anniversary, we need your support more than ever to continue this mission that contributes so much to our community and to Summit's reputation as a great place to live.

The City of Art event is Summit Public Art's most important fundraiser of the year, and will be held on Saturday, September 17, 2022, from 7-10pm at the courtyard at City Hall. We invite you and your company to support Summit Public Art by becoming sponsors. Through your donation, you will be partnering with us in bringing the next wave of art to Summit. A list of sponsorship levels and a response form are attached. Please help us continue to engage viewers and bring our community together through free and accessible art for all.

Can we count on you to continue this mission? For additional information about our City of Art event, visit our website, www.summitpublicart.com. On behalf of Summit Public Art and the City of Art gala committee, we thank you for your consideration.

Warm regards,

Vivian Furman Rubin *Leslie E. Herman*
